### Customer Assistance

Please contact me to discuss forestry design (or \$250 for on-site forestry design service plus milage)

I wish a quote for HELP assisting with planting services (\$2.55 per meter of tree line plus mileage inclusive of tree purchase, plastic mulch, grass seed and assisted installation) Minimum 2000 meters of tree line.

I really want to plant trees but don't know where to start. Please go to HELP website and click on planting and mulching instructions, shelterbelt design examples, and frequently asked questions.
